Grading & Certificate Glossary

评分与证书术语表

Module Grades 模块成绩

Each module is graded as a percentage of its assignment's maximum score (or, if a module has no assignment, the student's best quiz attempt), rounded to the nearest whole number and mapped to a letter grade / 每个模块的成绩为该模块作业得分占满分的百分比（若该模块没有作业，则取学生该模块测验的最高一次尝试成绩），四舍五入取整后对应到字母等级：

Grade / 等级	Score Range / 分数区间	Meaning / 含义
S	90–100	High Distinction range / 高级荣誉区间
A	80–89	Distinction range / 优秀区间
B	66–79	Credit range / 良好区间
C	50–65	Pass – minimum passing grade / 及格 – 最低及格分数线
F	0–49	Fail / 不及格

Course Competency 课程能力等级

Competency reflects overall course quality – the highest level for which the student has at least 3 modules graded at that level or better / 能力等级反映整体课程质量 – 取学生至少有 3 个模块达到该等级或以上成绩的最高等级。

Competency / 能力等级	Requirement / 达成条件
High Distinction / 高级荣誉	At least 3 modules graded S or better / 至少 3 个模块获得 S 或以上成绩
Distinction / 优秀	At least 3 modules graded A or better / 至少 3 个模块获得 A 或以上成绩
Credit / 良好	At least 3 modules graded B or better / 至少 3 个模块获得 B 或以上成绩
Pass / 及格	At least 3 modules graded C or better / 至少 3 个模块获得 C 或以上成绩

Certificate Tiers 证书等级

Each course's instructor configures its own certificate tiers – there is no fixed global tier scheme. A tier's requirement is built from one of these blocks / 每门课程的证书等级均由该课程讲师自行配置 – 没有统一的 全局等级标准。等级的达成条件由以下其中一种模块组成：

- Specific modules – a checklist of modules that must be completed / 指定模块 – 一份必须完成的模块清单
- Module count – complete at least a set number of modules / 模块数量 – 完成至少设定数量的模块
- Percent of course – complete at least a set percentage of the course / 课程完成百分比 – 完成至少设定比例的课程内容
- Minimum grade – the selected modules passed at or above a given letter grade / 最低成绩 – 指定模块须达到或超过某一字母等级
- Minimum competency – the course's overall competency reaches a given level / 最低能力等级 – 课程整体能力等级须达到设定水平
- Capstone – every module in the course is complete / 顶石 (Capstone) – 课程中所有模块均已完成

Issuance Mode 颁发方式

Instructors also choose, per course, whether to issue one certificate that upgrades to show the highest tier reached, or a separate certificate for each tier earned / 讲师还可为每门课程选择：颁发一张会随 最高等级更新的证书，或为每个达成的等级分别颁发证书。
